

# Tailor Made O/M Agreement

- excellence in biogas

## Tailor Made O/M Agreement

For those who are looking for a complete and care-free solution, Xergi offers full operational management of our systems via a fully comprehensive and tailor made operation and maintenance agreement.

With this service, Xergi is responsible for full operation of your biogas plant including full technical and biological service. This way you can be sure that you get the maximum benefit from our experience and know-how.

A tailor made O/M agreement will contain the following contractual items:

O/M agreement, list of contents	Short description
<ul style="list-style-type: none"><li>a) Contract</li><li>b) Appendices<ul style="list-style-type: none"><li>• Organisation Chart, responsibilities</li><li>• Scope of services including</li><li>• Drawings &amp; diagrams</li><li>• Description of PPM systems</li><li>• Remuneration costs &amp; budget</li><li>• Key Operational contracts</li><li>• Production gurantee (option).</li></ul></li></ul>	<p>Tailor made O/M agreement based on client's request.</p> <p>Client and Xergi to agree "scope of services", responsibility to be clarified in order to agree on respective areas of work as well as on O/M budget.</p> <p>O/M agreement on a contractual basis running in a defined period of minimum 2 years.</p>

## Core Areas of Expertise

Xergi specializes in biogas - from development of technology to delivering turn-key plants. We support our customers in developing their project, we design and engineer the plant, and we manage procurement and construction. When well into operation, Xergi provides our customer's plant and staff with a wide range of after sales services and support.

At Xergi we focus on maximizing return on investment for our customers by delivering plants that are flexible, reliable and easy to operate.
